Designated Fund Guide for Donors

INTRODUCTION

NPT Transatlantic Designated Funds are established by NPT Transatlantic to support specific charities. Giving to an NPT Transatlantic Designated Fund is suitable for one-time donations and donors who wish to give to a specific charity over time.

All Designated Fund activities are subject to the terms and conditions outlined in this Guide, as well as NPT Transatlantic's Articles of Association. NPT Transatlantic reserves the right to

modify the Designated Fund programme and this guide at any time. Additional fees may apply for exceptional due diligence or vetting of charitable organisations.

NPT Transatlantic has completed due diligence on the charity to ensure that NPT Transatlantic is able to make grants to the organisation via a Designated Fund.

ELIGIBILITY

As a UK/US dual qualified charity, NPT Transatlantic must comply with both Charity Commission/HMRC regulations and US Internal Revenue Code regarding required due diligence on beneficiary charities. In the UK, organisations must be registered with the Charity Commission for England and Wales, Office of the Scottish Charity Regulator, Charity Commission of Northern Ireland or otherwise recognised as charities under the laws of those jurisdictions, including, for example, 'exempt' or 'exempted' charities. In the US, organisations must be tax-exempt under US

Internal Revenue Code Section 501(c)(3) and public charities under Code Section 509(a)(1), (2) or (3); and/or private operating foundations described in Section 4942(j)(3) of the US IRS Code. Grants may not be used to support political campaigns or lobbying.

In countries other than the UK or US, organisations and grants must meet the guidelines and requirements of the Charity Commission, HMRC and the IRS.

MAKING A GIFT TO A DESIGNATED FUND

Minimums

The minimum gift amount to a NPT Transatlantic Designated Fund is £2,000 or \$3,200. UK taxpayers may make their contributions onshore or offshore.

You can make a gift by completing and returning the following:

- Designated Fund Contribution Agreement
- Gift Aid Declaration (if applicable)
- Passport of donor or authorised officers

CONTRIBUTIONS

You may contribute both liquid and illiquid assets to a Designated Fund.

Commonly contributed assets and their respective delivery instructions include:

- **Cash Contributions:** You may transfer cash by bank transfer.
- **Publicly Traded Shares:** You may transfer shares ("in kind") to NPT Transatlantic's brokerage account.
- **Other Property:** NPT Transatlantic reviews each proposed contribution on a case-by-case basis. Such contributions can include non-publicly traded assets (such as shares of a privately held company) or tangible property. Delivery of these illiquid assets varies. NPT Transatlantic manages all aspects of liquidating the asset. All costs NPT Transatlantic incurs to accept and sell the assets (e.g. legal or appraisal fees) will reduce the net proceeds. You are responsible for securing a qualified appraisal to substantiate your charitable tax deduction in the UK and/or the US.

Once a contribution is accepted, NPT Transatlantic will liquidate the assets in a reasonable time period. Certain assets, such as publicly traded stock, may be liquidated immediately.

The net proceeds of all liquidated contributions after charitable administrative fees are added to the asset value of the Designated Fund. Designated Fund assets are intended for charitable purposes only.

Contributions are Irrevocable

Once NPT Transatlantic approves and accepts your contribution, it is irrevocable. NPT Transatlantic retains exclusive legal control over the contributed assets and you may not impose any material restriction or condition on the donation.

GIFT RECEIPTS

NPT Transatlantic provides gift receipts for your contribution for US and UK tax purposes. Please keep the receipts for your records and tax filing purposes.

UK TAX RELIEF

Gift Aid relief

When a cash gift is made to NPT Transatlantic, the gift of cash may be eligible for Gift Aid relief in the UK. To qualify for Gift Aid relief, the donor must pay enough UK tax (income tax, capital gains tax, Remittance Basis Charge) in each tax year to cover the amount of Gift Aid relief that all charities claim on the donor's behalf for that tax year. As a registered UK charity, NPT Transatlantic is eligible to claim Gift Aid on eligible cash contributions. The reclaimed Gift Aid will be added to the named Designated Fund account once received.

If relevant, donors should complete a Gift Aid Declaration form.

Tax relief on UK Self-Assessment return

When a gift is made to NPT Transatlantic, individual donors may be able to claim UK tax relief on their self-assessment tax return. For cash gifts, higher rate or additional rate taxpayers are generally eligible to claim the difference between their marginal tax rate and the basic tax rate on the gross donation. For gifts of publicly-traded shares, donors are generally eligible to claim tax relief on the total fair market value of the contribution. Capital gains tax does not apply for donated shares.

Remittance Basis taxpayers

Donors who are taxed in the UK on the Remittance Basis may contribute to NPT Transatlantic offshore of the UK.

US TAX DEDUCTION

When a gift is made to NPT Transatlantic, individual donors may be able to claim a US charitable contribution deduction on their US federal and state income tax returns (depending on the state) for the value of the gift, subject to certain limitations. The amount of the US deduction will depend on many factors, including the type of asset donated.

FEES AND EXPENSES

Contributions to NPT Transatlantic are charitable donations of assets over which NPT Transatlantic retains exclusive ownership, discretion and control. The terms "fee" wherever used refer to the amount NPT Transatlantic allocates from contributed assets to cover operating expenses.

Charitable Administration Fee

Each gift to a Designated Fund is subject to a charitable administration fee upon receipt of the gift, which is deducted by NPT Transatlantic to cover operating expenses.

Other Fees

- Offshore fee: 1% of the contribution if made offshore. The minimum offshore fee is £50 (\$80) and the maximum is £250 (\$400).
- Additional fees may apply for contributions of non-publicly traded assets.
- Additional fees may apply for exceptional due diligence or vetting charitable organisations.
